1. CDs and fixed annuities both offer lower risk, guaranteed rates of return spread over specific time periods before maturity. CDs and savings accounts are FDIC insured. Annuities are backed by the claims-paying ability of the insurer. Savings accounts do not have a specific time period but may limit withdrawals and require a high minimum balance. Some also charge monthly maintenance fees. Annuities may contain surrender charges and market value adjustments, savings accounts do not.

2. Starting contract year 2 up to 10%. Annuity withdrawals made prior to age 59½ may be subject to ordinary income taxation and a 10% IRS tax penalty.

Sagicor rates as of January 2, 2019. Current rates are not guaranteed and are subject to change at any time and at the discretion of the company. Insurance and annuities issued by Sagicor Life Insurance Company. Home Office: Scottsdale, Arizona. Products may have limitations and restrictions including surrender charges and market value adjustments and are not available in all states. Guarantees are based on the claims-paying ability of Sagicor. Withdrawals made prior to age 59½ are subject to ordinary income taxation and may be subject to tax penalties. Sagicor does not provide tax or estate planning advice. Consult your tax advisor(s). Contract Form: ICC173008
